Youth leadership of Shirpur taluka
Tapanbhai Patel merges in infinity
Former MP of Rajya Sabha late. Mukeshbhai
Patel's son and honorable. Education Minister
A. Amrishbhai Patel's nephew Tapanbhai Patel
died on the spot after being hit by a car near
Shirpur Tolnakya on National Highway.
Shirpur taluka has spread mourning due to this
heartbreaking incident. Every person born is
going to go. But when the God in man is gone,
there is grief in the area. There is a different
identity of the Patel family in the field of social,
political and industry. Late from this generous
family. Mukeshbhai had also passed away.
They will always be remembered by their work.
Tapan Bhai had created a different identity by
stepping on his father's footsteps.
Tapan Bhai was trapped by sudden death. No
one believes this incident. This is not possible
for many people in the taluka, we met
yesterday, we had to talk on the phone. This is
how they are reacting.
A heartfelt tribute to this universal youth
leadership. 🌸🙏🌸🙏
